

September 2009

Greetings to Parents and Students,

To begin the exciting transition from middle school to high school, we invite your son or daughter to participate in the St. Mary's Springs Academy placement test on **Saturday, October 24 or Saturday, November 7 from 8:15am-11:00am**. This test is mandatory for any incoming freshmen who **may be** interested in attending the Springs. This is not an admission test; rather, it is a placement test to determine skill levels in English, mathematics, reading, and science reasoning.

For any 8<sup>th</sup> graders who are undecided or would be interested in learning more about the Springs, we have many opportunities for you to come and check us out. Shadowing with another freshmen student for the day is one option. This will give your son or daughter the opportunity to experience what a day in the life of a Ledger is all about. Other opportunities include the **Springs Open House on Sunday, October 4**. We'll open the day at 10:00am with Mass, followed by numerous informational break-out sessions that will cover such topics as merit based scholarships, financial aid, Catholic identity, parent and student perspectives and academic excellence, to name a few. Continental breakfast will be available throughout the morning.

If you plan to have your son or daughter take the placement test, he/she should bring two #2 pencils and a calculator with a square root function. All students should report to the Main Building. There will be signs posted on the doors and balloons at the entrance to the Main Lobby to help direct the students.

Warmest regards,

Carol Schlaefer  
Director of Admissions/Community Relations  
(920) 322-8008
